Education

Bachelor's of Technology in Smart Manufacturing Engineering

IIITDM Jabalpur
2024 – 2028

Bachelor of Science (Honours) in Data Science and Artificial Intelligence

IIT Guwahati
2024 – 2028

Vapi Public School

ICSE Grade : 96.80%
2011–2022

Vapi Public School

ISC Grade : 94.75%
2022–2024

Projects

Sentiment-Analysis : Developed a machine learning model to assess statement context and classify sentiment as positive or negative, enhancing contextual understanding and automation.

Work Experience

Contributor on Kaggle

- Took part in Kaggle Competition, where implemented Data Cleaning.
- Used multiple datasets to implement data pre-processing functionalities.

Relevant Skills

- Proficiency in Java, Python, C++, C, PostgreSQL
- Libraries like NumPy, Pandas, ScikitLearn
- Exploratory Data Analysis (EDA)
- Machine Learning & Artificial Intelligence
- Prompt Engineering
- Mathematics & Statistics
- Robotics
- Adaptability and continuous learning

Tools

- VS Code & Jupyter
- GitHub Desktop
- Microsoft Office Suite
- Hugging Face
- Bash
- Arduino

Volunteer Work

Rotary Adult Literacy Drive

Non-profit

Provided basic language proficiency teachings to helpers and homemakers

Certifications

- **Kaggle** : [Python](#)
- **Kaggle**: [Intro to Machine Learning](#)
- **Kaggle**: [Pandas](#)
